**Steward of the Year 2007
Presented by Wave Sport**

Nomination Form

Nominations for the Wave Sport / American Whitewater Steward of the year program will be evaluated on the following criteria:

- Impact on local stewardship issues (access, conservation, or safety)
- Diversity of project work
- Engaging and providing leadership to additional volunteers to assist in river stewardship efforts
- Effectively communicating regional stewardship goals and activities to the whitewater community and the public
- Advocating for higher river safety and practices

Nominees must be current members of American Whitewater

Nominations from any of American Whitewater 120 affiliate clubs and from executive board members of American Whitewater will be considered. Forms must be received no later than September 1st, 2007.

How many years has this person been an active volunteer on river stewardship efforts?

What regions, watersheds, or rivers has this individual been involved with?

How has their work had a positive influence on whitewater recreation?

What is this individual's greatest success in river stewardship work?

How has this person promoted/inspired river stewardship efforts/participation by others?

What additional information would you like us to consider about the nominee for his/her nomination as steward of the year?
